## AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, FRANK 'ANGUIS - MASTER, of the AMERICAN S.S. "TIVIVES", from PTO. BARRIOS, GUATEMALA, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, ONE in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by laws regulating immigration, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

## INSTRUCTIONS FOR PREPARING ALIEN MANIFESTS

Separate manifests should be prepared for each part at which passengers embark for the United States, recording on separate manifests immigrants and nonimmigrants, as defined by the Immigration Act of 1923; and also recording on separate manifests those alien traveling in the third class, and the so-called tourist class, whose visas bear the initials of Technical Advisers, and those whose visas do not bear such initials. The names of all members of a family shall appear upon the same manifest sheet when they travel in the same class; and if they travel in different classes, appropriate cross references should be made on the sheets on which the respective names are listed.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*). The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 6 (*Married or single*). The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each after arrival, as, for example, civil engineer, stationary engineer, locomotive engineer, miner, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown on a return.

A farmer is one who operates a farm, either for himself or for others.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors during the personal examination of alien arrivals.

Case 1. *Subject able to read and write.* This column is subdivided and contains the following questions: "Read and hear many jobs, if a person is poor, one who cannot read and write is at a disadvantage in the job market. What should be done to improve the situation?" "If a person is unable to read and write, what should be done to improve the situation?" "If a person is unable to read and write, what should be done to improve the situation?" "If a person is unable to read and write, what should be done to improve the situation?"

Column 9 (*Nationality*)—Question 9 should be construed to mean: the country of which actor is a citizen or subject.

Column 10 *Office or people*—See list of names printed on back of V-16 sheet. The entry should show the name of people as given in mail list.

Spaced attention should be paid to the distinction between race and the country of which either or subject, country, has been predominant, and country of birth, and nationality should be carefully retained by impressing the language, the names, the language under the head of country does not mean. For instance, "France," "Switzerland," "France," appearing under the head of race or people does not mean "Swiss," "Swiss," "French," appearing under the head of race or people does not mean "Swiss," "Swiss," "French," by country. An Irish, German, or Polish race, race must properly come under the heading of England, Switzerland, or any other country. In this corner the following distinctions should be as carefully observed:

## 4133

The term "Cuban" refers to the Cuban people (not Negroes)

31.  $\frac{1}{2} \leq \frac{1}{x} \leq \frac{3}{2}$ 

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

[illegible]

<sup>3</sup> "Spanish American" refers to the people of Central and South America of Spanish descent.

AUGUST 1986      *Coultas et al.*

\* "African" (black) refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

## TULLIAN, C. 1983.

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise; Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Place of birth*). The State, Province, or District of birth should be shown in addition to the city or town.

Column 12 (*Serial number of document presented*) - Prefix serial number of document with abbreviation "QIV," "QIV," "PV," or "IP," as appropriate, to indicate whether it is Quota Immigration Visa, Nonquota Immigration Visa, Passenger Visa, or Reentry Permit; and also state section of the Immigration Act of 1924 involved, as in Section 1 (a).

Column 13—This question has reference to the place and date of issue of the opinion described in column 12, and is self-explanatory.

Column 11 (1 *compartiment de livraison*, 10 *l.*) = Steamship Boxes, 10 *l.* each, for use in this column. The space is for use of Government officials only.

Column 15 (*Last permanent residence*). Actual or intended permanent residence of person shall constitute permanent residence. The last country in which a person resided with the intention of remaining one year or more shall be his last permanent residence, regardless of length of actual residence therein. The entire life of a person may be spent in the country, city or town, state, province, or district of the last permanent residence. It is important for statistical purposes that the status be considered a permanent one, even if last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents in the United States and are returning from a visit abroad should be recorded as United States.

Column 17 (*Name and complete address of nearest relative or friend*). — If the relative or friend is an alien enemy, the entire should give name, exact relationship and complete address of such relative. If no such relative living, give name and address of nearest living relative or friend living in country whence alien enemy give name and address of relative or friend in country of which citizens or subject. If such country is unknown, give name and address of nearest living relative or friend in that whence alien enemy. Address should include street and number.

Column 18 (*Final destination*). The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States; and port of intended departure.

Column 19 (Whether having a ticket to such first destination) The answer should be either Yes (ticket) or No (no ticket).

Column 20 (*By whom was passage paid*) - The entry should show distinctly, by whom passage was paid, as self; husband, father, brother, or other relative; friend;

(Column 21) Whether in possession of \$50, and if less, how much. The answer should give in each case (individual or family) the exact amount of money or money brought by the head of a family should not be credited against the money brought by the family.

Column 22 (If *last case before in the United States*, and if so, *where, when, and date of last departure*) The entries should show whether and (Y or N) or No in the United States before; and if so, the year (or period of time) and place, if in the Philadelphia. Where in the United States more than once previously, indicate last one.

whether going to *your relative or friend*, with a more specific meaning: here a brother/sister going to visit either a relative or friend, with a more, and complete, meaning, and if a relative, the exact relationship.

Columns 24 to 26. These questions are self-explanatory and the responses of the notaries on the street are subject to review by a report on oath by the notary himself alone. However, in answering question 30, if a notary has been excluded or disbarred within one year, and in answering 31, if a notary has been expelled or suspended in the past at any time, authority in the Secretary of Labor is hereby to find and announce such to the show.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Head tax status).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (Age).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry should be either M (male) or F (female).

Column 6 (Married or single).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply an engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (Able to read and write).—This column is subdivided and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the answer or subject the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (Nationality).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject; country of last permanent residence, and country of birth, and manifests should be carefully read by inspectors and registry clerks in this regard. For instance, "French" appearing under the heading of country does not mean "French" by race or people, and, similarly, "French" appearing under the heading of race or people does not mean "French" by country. An Irish, German, or Hebrew alien by mistake might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

### CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

### SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

### ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Friuli) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, the Aust., the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; or country, if outside the United States.

Column 14 (Whether bringing a ticket to such final destination).—The answer should be either Yes or No, as in the list.

Column 15 (By whom was passage paid).—The entry should show at least by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (If better in possession of \$100 and if less than \$100).—The answer should give to each individual or family. The exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (Whether ever before in the United States, and if so, when and where).—The answer should show whether or not (Yes or No) in the United States before, and if so, the year or period of years, as, for example, 1894-1897, Philadelphia.

Column 19 (Whether going to join relative or friend, and if so, what relative or friend, with name and complete address).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 20 to 23.—These questions are self-explanatory and the answers, like all others of the same kind, are subject to revision by inspectors and officers in the examination of aliens. However, in answer to question 23, if alien has been deported within one year and the Secretary of Labor has authorized a visa to reapply for admission, the authority for such reapplication should be given.

Record on this blank United States citizens and citizens of insular possessions of the United States arriving at a port of continental United States from a foreign port or a port of the insular possessions of the United States, and such citizens arriving at a port of said insular possessions from a foreign port, a port of continental United States, or a port of another insular possession.

## INSTRUCTIONS FOR PREPARING ALIEN MANIFESTS

Separate manifests should be prepared for each port at which passengers embark for the United States, recording on separate manifests immigrants and nonimmigrants, as defined by the Immigration Act of 1924; and also recording on separate manifests those aliens traveling in the third class and the so-called tourist class, whose visas bear the initials of Technical A-Visa, and those whose visas do not bear such initials. The names of all members of a family shall appear upon the same manifest sheet when they travel in the same class; and if they travel in different classes, appropriate cross references should be made on the sheets on which the respective names are listed.

Column 2 (Head-tax status).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (Age).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry should be either M (male) or F (female).

Column 6 (Married or single).—The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and correctless should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (Able to read and write).—This column is subdivided and contains the following question: "Read what language last, if exemption is claimed, upon what ground." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (Nationality).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

### CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

### WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

### SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

### AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

### ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Liguria, Toscana, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

### ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Toscana, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Italian language.

Column 11 (Place of birth).—The State, Province, or District of birth should be shown in addition to the city or town.

Column 12 (Serial number of document presented).—Prefix serial number of document with abbreviation "QIV," "NIV," "FV," or "RP," as appropriate, to designate whether it is Quota Immigration Visa, Nonquota Immigration Visa, Passport Visa, or Reentry Permit; and also state section of the Immigration Act of 1924 involved, as Section 4 (a).

Column 13.—This question has reference to the place and date of issue of the document described in column 12, and is self-explanatory.

Column 14 (Verifications of landing, etc.).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 15 (Last permanent residence).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 15 should show the country, city or town, state, province, or district of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 17 (Name and complete address of nearest relative or friend in country whence alien came).—The entry should give name, exact relationship, and complete address of such relative. If no such relative living, give name and address of friend. If no such relative or friend living in country whence alien came, give name and address of relative or friend in country of which citizen or subject. If such country is other than that whence alien came, address should include street and number.

Column 18 (Final destination).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States, and port of intended departure.

Column 19 (Whether having a ticket to such final destination).—The answer should be either Yes (ticket) or No (no ticket).

Column 20 (By whom was passage paid).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 21 (Whether in possession of \$20, and if less, how much).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 22 (Whether ever before in the United States; and if so, when, where, and date of last departure).—The entries should show whether or not Yes or No in the United States before; and if so, the year (or period of years) and place, as, 1904, 1907, Philadelphia. Where in the United States more than once previously, indicate last residence only, and give exact or approximate date of last departure from the United States.

Column 23 (Whether going to join relative or friend).—The answer should show whether going to join either a relative or friend, with name and complete address; and if a relative, the exact relationship.

Columns 24 to 36.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 30, if alien has been excluded and deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

Record on this blank United States citizens and citizens of insular possessions of the United States arriving at a port of continental United States from a foreign port or a port of the insular possessions of the United States, and such citizens arriving at a port of said insular possessions from a foreign port, a port of continental United States, or a port of another insular possession.

## AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, \_\_\_\_\_, of the \_\_\_\_\_, from \_\_\_\_\_, do  
State or District Major, First, or Second Officer  
 solemnly, sincerely, and truly \_\_\_\_\_ that I have caused the surgeon of said vessel sailing thereunto, or the surgeon  
 employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the  
 foregoing Lists or Manifest Sheets, \_\_\_\_\_ in number, and that from the report of said surgeon and from my own  
 investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by  
 laws regulating immigration, and that also, according to the best of my knowledge and belief, the information in said  
 Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this  
at Phila., Pa

1917, at  
Samuel Roberts  
Immigration Officer.

## INSTRUCTIONS FOR PREPARING ALIEN MANIFESTS

Separate manifests should be prepared for each port at which passengers embark for the United States, recording on separate manifests immigrants and nonimmigrants, as defined by the Immigration Act of 1924; and also recording on separate manifests those aliens traveling in the third class and the so-called tourist class, when it is borne the manifests of Technical Activities, and those whose visas do not bear such initials. The names of all members of a family shall appear upon the same manifest sheet when they travel in the same class; and if they travel in different classes, appropriate cross references should be made on the sheet on which the respective names are listed.

Column 2 *Head tax sheet*.—Steam, Hip, Head, Should, back, to enter, in this column. The space is for use of Government charges only.

Column 4 (Age). The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 6 (*Married or single*). The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*). The entry should describe as accurately as possible the occupation, trade or profession of each when arrival in, for example, "Chief Engineer, steamship engineer, locomotive engineer, mining engineer, brass polisher, saw peddler, iron molder, wood turner, etc., and not simply as engineer, painter, builder, farmer, or other broad category descriptions."

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A tenant is one who operates a farm, either for himself or for others.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerk during the personal examination of alien groups.

Column 8 (*Other exceptions*) with 1. This column is subdivided and contains the following question: "Read this language, or, if exemption is claimed, upon what ground?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*). See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

*Special attention should be given to such cases.*

"Special attention should be given to such cases," were three entries of birth, and one of death, recorded at the same place, which were all of Irish origin, and all of them should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

## APPENDIX

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICANS

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BILLY)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIANI E NEGRITUDINE

The people who are native to the basin of the River Po in northern Italy (i. e., components of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria, or any other country, should be classed as "Frisian (northern)." Most of these people speak a Galleic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., commitments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Place of birth*).—The State, Province, or District of birth should be shown in addition to the city or town.

Column 12 (*Serial number of document presented*). Prefix serial number of document with abbreviation "QIV," "NQIV," "IV," or "RP," as appropriate, to denote whether it is Costa Immigration Visa, Nonquota Immigration Visa, Passport Visa, or Reciprocity Form; and also state section of the Immigration Act of 1924 involved, as in following:

Column 12. This question has reference to the place and date of issue of the loan receipt described in column 12, and is self-explanatory.

Column 14 (*Limitations of landing, etc.*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

(Column 15) *Abode permanent residence*. Actual or intended residence of one year shall constitute permanent residence. The last country in which such residence with the intention of founding one year or more shall be the last permanent residence, even if the last actual residence therein. The check in column 15 shall denote the country, city or locality of residence, the duration of permanent residence. It is important for legal purposes that statements supported by documents of the last permanent residence independent of country of temporary residence, country of birth, nationality or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded in field 10.

United States and reentering from a visit abroad should be recorded in United States Column 17 (*Name and complete address of nearest relative or friend in country whence alien came*). The entry should give name, exact relationship, and complete address of such relative. If no such relative living, give name and address of nearest. If no such relative or friend living in country whence came, give name and address of relative or friend in country of which citizen or subject of such country is recorded, that whence alien came. Address should include street and province.

Column 18 (*Final destination*). The answer to this question shall be the intended future permanent residence. An intended residence of one year shall not constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States, and port of intended departure.

Column 19 (*Whether having a ticket to such, foreign nation*).—The answer should be either Yes (ticket) or No (no ticket).

Column 20 (*By whom was passage paid*).—The entry should show, directly, the person by whom passage was paid, as self; husband, father, brother, or other relative; or indirectly, the steamship company, etc.

Column 21 (Whether in possession of \$50, and if so, how much) — This column should give in each case (individual or family) the exact amount of money. Money brought by the head of a family should not be divided among the several members of the family.

Column 22 *is neither ever before in the United States; and if so, it is a new and rare date of last departure*. The entries should show whether or not (Yes or No) the United States before and if so, the year (or period of years) and place of birth in the United States. Where in the United States more than one previously, but a last date of departure only, and give exact or approximate date of last departure from the United States.

Column 23 (*Whether going to join relative or friend*)—The answer should show whether going to join either a relative or friend, with name and complete address, and if a relative, the exact relationship.

Columns 23 to 36. These questions are self-explanatory and the answers, like those of the others on the sheet, are submitted by inspection officers to the Government of the aliens. However, in answering question 20, if an alien has been convicted and deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

# AFFIDAVIT OF SURGEON

I, ROGER H. ALLBEE, Surgeon of the S.S. "TIVIVES", SAILING THEREWITH, do solemnly, sincerely, and truly SWEAR that I have had FOUR years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of THE STATE OF VERMONT, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, ONE in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

*R. H. Allbee*

*Lu B. Dole*

U. S. IMMIGRANT INSPECTOR

NOTE: If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigrant inspector at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed. If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

## LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

# AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, FRANK ANQUIS - MASTER, of the AMERICAN S.S. "TIVIVES", from PTO. BARRIOS, GUATEMALA, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, ONE in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by laws regulating immigration, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 14th day of July, 1935 at Philadelphia, Pa.

## INSTRUCTIONS FOR PREPARING ALIEN MANIFESTS

Separate manifests should be prepared for each point at which passengers embark for the United States, recording on separate manifests immigrants and nonimmigrants, as defined by the Immigration Act of 1924, and also recording on separate manifests those aliens traveling in the third class and the so-called tourist class, whose names bear the initials of Technical A, B, C, D, E, F, G, H, I, J, K, L, M, N, O, P, Q, R, S, T, U, V, W, X, Y, Z, and those whose names do not bear such initials. The names of all members of a family shall appear upon the same manifest, but when they travel in the same class and if they travel in different classes, appropriate cross references should be made on the sheets on which the respective names are listed.

Column 21 (Whether in possession of \$50, and if not, how much).—The answer should give in each case (individual or family) the exact amount of money, in U. S. dollars, brought by the head of a family should not be divided among the several members of the family.

Column 22 (Whether ever before in the United States, and if so, when, place, and date of last departure).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year or period of years, and place (as, for example, Philadelphia). Where in the United States more than once previously, indicate first and last departure, and also exact or approximate date of last departure from the United States.

Column 23 (Whether going to join relative or friend).—The answer should give whether going to join either a relative or friend, with name and complete address, and if a relative, the exact relationship.

Column 24 to 26.—These questions are self-explanatory and the answers, for all aliens, are subject to review by inspection officers in the examination of aliens. However, in answering question 26, if alien has been excluded and deported within one year, and in answering 24, if alien has been ordered deported and is present at any time, authority in the Secretary of Labor to supply for admission should be shown.

CUBAN

## REPORT OF SHIP'S SURGEON

U. S. DEPARTMENT OF LABOR  
BUREAU OF IMMIGRATION  
WASHINGTON

May 15, 1927.

## INSTRUCTIONS.

To masters and medical officers of ships, and others concerned:

Under the act of March 14 of the act of Congress of February 5, 1917, it is hereby directed that on the arrival of a ship bringing passengers from a foreign port to any port of the United States the ship's surgeon shall deliver in person to the United States Commissioner of Immigration, or his authorized representative, a complete report of the diseases (including manifestations of epilepsy, hysteria, or insanity), injuries, births, and deaths which have occurred among the passengers during the voyage.

Said report shall state in each instance the name of the passenger concerned; whether a first cabin, second cabin, or steerage passenger or stowaway; the letter or number used to designate the sheet of the passenger manifest on which the said passenger's name is to be found; and the number indicating the position of his name on said sheet; the nature of the disease or injury from which he is or has been suffering and his actual condition at the time of arrival (e. g., "improved," "recovered," "moribund," "dead").

Under the heading "Remarks" the ship's surgeon will make such notations as "able to travel," "accompanied by family," "removed at quarantine," "removed at quarantine with family," "in ship's hospital," or other remarks which may be of assistance to the United States Immigration officers in protecting the welfare of the sick or in accounting for missing passengers.

Diseases and all other statements appearing in said report must be written legibly, but need not be in English if the ship's surgeon be more familiar with another language. The ship's surgeon shall furthermore declare on oath that to the best of his knowledge and belief this report, as herein prescribed, comprises a true and complete statement of all the diseases, injuries, births, and deaths which have occurred during the voyage.

The Commissioners of Immigration at the various ports of the United States have full authority to prevent the debarkation of the passengers from a ship until the ship's surgeon, or, in lieu thereof, the master of the ship, shall have furnished a medical report, as above indicated.

W. W. HUSBAND,  
Commissioner General of Immigration.

APPROVED:  
JAMES J. DAVIS,  
Secretary of Labor.

## TRADUZIONE D'ISTRUZIONI

Al capitano e medici di navi ed a chiunque spetti:

A norma del paragrafo 14 dell'Atto del Congresso degli Stati Uniti, il 5 di Febbraio, 1917, viene con questo mezzo decretato che, all'arrivo in un porto degli Stati Uniti d'una nave, che trasporta passeggeri da un porto estero, il medico di bordo dovrà consegnare personalmente nelle mani del Commissario d'Immigrazione (Commissioner of Immigration), o del suo rappresentante autorizzato, un completo rapporto di tutte le malattie, compresi gli incidenti d'epilessia, d'isterismo, o d'insania, le ferite, le nascite, e le morti, che siano avvenute durante il viaggio fra i passeggeri.

Detto rapporto dovrà indicare in ogni caso il nome del passeggero in questione, la sua condizione a bordo, se passeggero di prima, seconda, terza classe o clandestino; portare la lettera o il numero del foglio del manifesto sul quale è inserito il nome del detto passeggero; altresì il numero d'ordine, che serve a indicare la posizione del suo nome sul foglio medesimo; spiegare la natura del male, che esso soffre e alla lettera, e la sua condizione fisica al momento d'arrivo, p. es., "migliorato," "guarito," "moribondo," "morto."

Sotto la rubrica "Remarks," il medico di bordo dovrà apporre tali annotazioni come, p. es.: "abile a continuare il viaggio," "accompagnato da famiglia," "lasciato a quarantena," "lasciato a quarantena con famiglia," "nell'ospedale a bordo," o qualsiasi annotazione, che possa essere d'aiuto agli uffici d'immigrazione, sia per proteggere gli interessi degli ammalati, sia per rendersi conto dei passeggeri mancanti.

La diagnosi ed ogni altra dichiarazione dovranno essere scritte in modo leggibile; però non necessariamente in Inglese, se il medico di bordo conosce a meglio un'altra lingua.

Il medico di bordo dovrà altresì dichiarare sotto giuramento, per quanto a lui consta in lingua fedele, che il suo rapporto comprende una esatta e piena descrizione di tutte le malattie, le ferite, le nascite e le morti, che siano successe durante il viaggio.

I Commissari d'Immigrazione nei diversi porti degli Stati Uniti hanno pieno potere per impedire lo sbarco ai passeggeri d'una nave, sino a che il medico, o mancando il medico, il capitano della nave stessa avrà fornito loro il rapporto come sopra indicato.

NOTE.—Full text of question 28 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

# AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, E. Ginnes <sup>Master</sup>, of the Romagnolo <sup>steamer</sup> from Porto Praya, Porto, Rio, do solemnly, sincerely, and truly <sup>that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 1 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act of February 5, 1917, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.</sup>

E. Ginnes  
Officer.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Head-tax status).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (Age).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry should be either M (male) or F (female).

Column 6 (Married or single).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, house painter, steel polisher, iron molder, wood turner, etc., and not simply as engineer, painter, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (Able to read and write).—This column is subdivided and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (Nationality).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Race or people).—See list of races pointed on back of this sheet. The entry should show the race or people assigned in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks to this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

### CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

### SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

### ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Columns 11 to 14.—These questions are self-explanatory.

Column 15 (Last permanent residence).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 15 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 17 (Name and complete address of nearest relative or friend in country whence alien came).—The entry should give name and address of such relative. If no such relative having same name and address of friend.

Column 18 (Final destination).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 19 (Whether having a ticket to such final destination).—The answer should be either Yes (ticket) or No (no ticket).

Column 20 (By whom was passage paid).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 21 (Whether in possession of \$50, and if less, how much).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 22 (Whether ever before in the United States; and if so, when and where).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-1897, Philadelphia.

Column 23 (Whether going to join relative or friend; and if so, what relative or friend).—The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 24 to 26.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 30, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

## INSTRUCTIONS FOR PREPARING ALIEN MANIFESTS

Separate manifests should be prepared for each port at which passengers embark for the United States, recording on separate manifests immigrants and nonimmigrants, as defined by the Immigration Act of 1924; and also recording on separate manifests those aliens traveling in the third class and the so-called tourist class, whose visas bear the initials of Technical Advisory, and those whose visas do not bear such initials. The names of all members of a family shall appear upon the same manifest sheet when they travel in the same class; and if they travel in different classes, appropriate cross references should be made on the sheets on which the respective names are listed.

Column 2 (*Head-tax status*).—Stevedores lines should make no entries in this column. The space is for use of Government officials only.

Column 3 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry should be either M (male) or F (female).

Column 5 (*Married or single*).—The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood molder, etc., and not simply as customer, peddler, molder, turner, or other indefinite descriptions.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Stevedores lines should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Time to read and write*).—This column is subdivided and contains the following questions: "Read what language for, if exemption is claimed, upon what ground?" In answering this question the language of dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

### CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

### WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

### SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

### AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

### ITALIAN (SOUTH)

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Veneto, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria, or any other country, should be classed as "Italian (south)." Most of these people speak a Gallic dialect of the Italian language.

### ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Genoa, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (north)." The State, Province, or District of birth should be shown in addition to the city of birth.

Column 11 (*Place of birth*).—The State, Province, or District of birth should be shown in addition to the city of birth.

Column 12 (*Serial number of document presented*).—Prefix serial number of document with abbreviation "QIV," "QIV," "IV," or "IV," as appropriate, to designate whether it is Quota Immigrant Visa, Nonquota Immigrant Visa, Passport Visa, or Reciprocity Permit; and also give section of the Immigration Act of 1924 involved, as section 4 (a).

Column 13 (*Time to read and write*).—This question has reference to the place and date of issue of the document described in column 12, and is self-explanatory.

Column 14 (*Intention of staying, etc.*).—Stevedores lines should make no entries in this column. The space is for use of Government officials only.

Column 15 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last resort to which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 15 should show the country, city or town, state, province, or district of last permanent residence. It is important for statistical purposes that same-day correspondence correctly show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be "United States."

Column 17 (*Name and complete address of nearest relative or friend to whom alien came*).—The entry should give name, exact street address, and telephone address of such relative. If no such relative living in country where alien came, then name and address of relative or friend in country of which citizen or subject. If such country is other than that whence alien came, address should include street and number.

Column 18 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, date of departure of intended future permanent residence, if within the United States; country, if outside the United States; and port of intended departure.

Column 19 (*Whether having a ticket to such final destination*).—The answer should be either Yes (check) or No (no check).

Column 20 (*By whom was passage paid*).—The entry should show, as far as possible, by whom passage was paid, i. e., self; husband, father, brother, or other relative; passed; steamship company, etc.

Column 21 (*Whether in possession of \$20, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money, in cash, money brought by the head of a family should not be divided among the several members of the family.

Column 22 (*Whether ever before in the United States and if so, when, where, and date of last departure*).—The entries should show whether or not (Yes or No) the United States before; and if so, the year (or period of years) and place, i. e., New York, Philadelphia. Where in the United States more than once previously, indicate last residence only, and give exact or approximate date of last departure from the United States.

Column 23 (*Whether going to join relative or friend*).—The answer should show whether going to join either a relative or friend, with name and complete address, and if a relative, the exact relationship.

Columns 24 to 36.—These questions are self-explanatory and the answers to all others on the sheet are subject to revision by inspection officers in the examination of aliens. However, in answering question 30, if alien has been excluded and was read within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

Record on this blank United States citizens and citizens of insular possessions of the United States arriving at a port of continental United States from a foreign port or a port of the insular possessions of the United States, and such citizens arriving at a port of said insular possessions from a foreign port, a port of continental United States, or a port of another insular possession.

Note: Full text of question 28 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

*H. B. Christiansen*  
I, *H. B. Christiansen*, of the *Hotel S/S Satingo*, from *Alvaro Obregón*, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act of February 5, 1917, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

*H. B. Christiansen*  
Master, Officer.

Sworn to before me this *22nd* day of *July*, 19 *35*  
at *Philadelphia, Pa.*

*Lee B. Doherty*  
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Master's name*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.  
Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.  
Column 5 (*Sex*).—The entry should be either M (male) or F (female).  
Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).  
Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc.; and not simply as engineer, polisher, molder, turner, or other indefinite designations.  
A listing non should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:  
A farmer is one who operates a farm, either for himself or for others.  
A farm laborer is one who works on a farm for the man who operates it.  
Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.  
Column 8 (*Able to read and write*).—The column is subdivided and contains the following question: "Read what language (or, if exception is claimed, upon what ground)." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.  
Column 9 (*Nativity*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.  
Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.  
Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Italian alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Liguria, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Columns 11 to 14.—These questions are self-explanatory.  
Column 15 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 15 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.  
Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 17 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 18 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 19 (*If better having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 20 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 21 (*Wishes to be accompanied by wife and family*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be charged against the several members of the family.

Column 22 (*Wishes to be accompanied by wife and family*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-1897, Philadelphia.

Column 23 (*If better going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 24 to 35.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. If overruled in answering question 30, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR PREPARING ALIEN MANIFESTS

Separate manifests should be prepared for each port at which passengers embark for the United States, recording on separate manifests immigrants and nonimmigrants, as defined by the Immigration Act of 1924; and also recording on separate manifests those aliens traveling in the third class and the so-called tourist class, whose visas bear the initials of Technical Advisers, and those whose visas do not bear such initials. The names of all members of a family shall appear upon the same manifest sheet when they travel in the same class; and if they travel in different classes, appropriate cross references should be made on the sheets on which the respective names are listed.

Column 2 (Head-tax status).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (Age).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry should be either M (male) or F (female).

Column 6 (Married or single).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (Able to read and write).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (Nationality).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Place of birth).—The State, Province, or District of birth should be shown in addition to the city or town.

Column 12 (Serial number of document presented).—Prefix serial number of document with abbreviation "QIV," "NQIV," "PV," or "RP," as appropriate, to designate whether it is Quota Immigration Visa, Nonquota Immigration Visa, Passport Visa, or Registry Permit; and also state section of the Immigration Act of 1924 involved, as Section 4 (a).

Column 13.—This question has reference to the place and date of issue of the document described in column 12, and is self-explanatory.

Column 14 (Verifications of landing, etc.).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 15 (Last permanent residence).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 15 should show the country, city or town, state, province, or district of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 17 (Name and complete address of nearest relative or friend in country whence alien came).—The entry should give name, exact relationship, and complete address of such relative. If no such relative living, give name and address of friend. If no such relative or friend living in country whence alien came, give name and address of relative or friend in country of which citizen or subject, if such country is other than that whence alien came. Address should include street and number.

Column 18 (Final destination).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States, and port of intended departure.

Column 19 (Whether having a ticket to such final destination).—The answer should be either Yes (ticket) or No (no ticket).

Column 20 (By whom was passage paid).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 21 (Whether in possession of \$50, and if less, how much).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 22 (Whether ever before in the United States; and if so, when, where, and date of last departure).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-1897, Philadelphia. Where in the United States more than once previously, indicate last residence only, and give exact or approximate date of last departure from the United States.

Column 23 (Whether going to join relative or friend).—The answer should show whether going to join either a relative or friend, with name and complete address; and if a relative, the exact relationship.

Columns 24 to 30.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 30, if alien has been excluded and deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

the condition of any of the aliens must be noted in the manifest and be forwarded with it to the nearest immigration office.  
If the surgeon sails with the vessel, the affidavit of verification shall be accepted at the port of departure and no further action shall be required.

## LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

## INSTRUCTIONS FOR PREPARING ALIEN MANIFESTS

Separate manifests should be prepared for each port at which passengers embark for the United States, recording on separate manifests immigrants and nonimmigrants, as defined by the Immigration Act of 1924; and also recording on separate manifests those aliens traveling in the third class and the so-called tourist class, whose Visas bear the initials of Technical Advisors, and those whose visas do not bear such initials. The names of all members of a family shall appear upon the same manifest sheet when they travel in the same class; and if they travel in different classes, appropriate cross references should be made on the sheets on which the respective names are listed.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry should be either M (male) or F (female).  
Column 5 (*Married single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example: "field engineer," "stationery engineer," "boiler-maker," "marine engineer," "house painter," "steel polisher," "iron mender," "wood turner," etc., and not simply "engineer," "painter," "mender," or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Ability to read and write*).—This column is subdivided and contains the following question: "Read what language for, if exemption is claimed, upon what ground." In answering this question, the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Voluntary*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and "Hebrew" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of Russian, Swiss, or any other country. In this connection the following distinctions should be especially observed:

### CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

### WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

### SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

### AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

### ITALIAN (NORTH)

The people who are native to that portion of Italy north of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

### ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Place of birth*).—The state, Province, or District of birth should be shown in addition to the city or town.

Column 12 (*Serial number of document presented*).—Produce serial number of document with observation "IV," "XIV," "I," or "II," as appropriate, to designate whether it is Quota Immigration Visa, Nonquota Immigration Visa, Transit Visa, or Reciprocity Permit; and also state section of the Immigration Act of 1924 involved, as Section 1 (a).

Column 13.—This question has reference to the place and date of issue of the document described in column 12, and is self-explanatory.

Column 14 (*Occupations of husband, etc.*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 15 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence. The serial number of last permanent residence. The serial number in column 15 should show the country, city or town, state, province, or district of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 17 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name, exact relationship, and complete address of such relative. If no such relative living, give name and address of friend. If no such relative or friend living in country whence alien came, give name and address of relative or friend in country of which citizen or subject, if such country is other than that whence alien came. Address should include street and number.

Column 18 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States, and port of intended departure.

Column 19 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 20 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 21 (*Whether in possession of \$10, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 22 (*Whether ever before in the United States; and if so, when, where, and date of last departure*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894, 1897, Philadelphia. Where in the United States more than once previously, indicate last residence only, and give exact or approximate date of last departure from the United States.

Column 23 (*Whether going to join relative or friend*).—The answer should show whether going to join either a relative or friend, with name and complete address; and if a relative, the exact relationship.

Columns 24 to 26.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been excluded and deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

Record on this blank United States citizens and citizens of insular possessions of the United States arriving at a port of continental United States from a foreign port or a port of the insular possessions of the United States, and such citizens arriving at a port of said insular possessions from a foreign port, a port of continental United States, or a port of another insular possession.

# AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, **MASTER**, of the **S.S. "CARRILLO"**, from **BARRIOS, GUATEMALA**, do solemnly, sincerely, and truly **SWEAR** that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, **ONE** in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by laws regulating immigration, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this **FOURTH** day of **AUGUST**, 19**35**  
at **PHILADELPHIA, PA.**

*James J. [Signature]*  
Immigration Officer.

## INSTRUCTIONS FOR PREPARING ALIEN MANIFESTS

Separate manifests should be prepared for each port at which passengers embark for the United States, recording on separate manifests immigrants and nonimmigrants as defined by the Immigration Act of 1924; and also recording on separate manifests those aliens traveling in the third class and the so-called tourist class, whose visas bear the initials of Technical Advisers, and those whose visas do not bear such initials. The names of all members of a family shall appear upon the same manifest sheet when they travel in the same class; and if they travel in different classes, appropriate cross references should be made on the sheets on which the respective names are listed.

**Column 2 (Honor law status).**—Steamship lines should make no entries in this column. The space is for use of Government officials only.

**Column 3 (Age).**—The answer in this column should be expressed in years or months, whichever applies only to those under 1 year of age.

**Column 4 (Sex).**—The entry should be either M (male) or F (female).

**Column 5 (Married or single).**—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

**Column 6 (Calling or occupation).**—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, railway engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

**Column 8 (Date to read and write).**—This column is subdivided and contains the following questions: "Read what language for, if exemption is claimed, upon what grounds?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

**Column 9 (Nationality).**—Question 9 should be construed to mean the country of which alien is a citizen or subject.

**Column 10 (Name or people).**—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

### CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

### WEST INDIAN

"West Indian" refers to the people of the West Indies other than other Cubans or Negroes.

### SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

### AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

### ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Friuli) and their descendants, whether living in Italy, Switzerland, Austria, or any other country, should be classed as Italian (north). Most of these people speak a Gallic dialect of the Italian language.

### ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

**Column 11 (Place of birth).**—The State, Province, or District of birth should be shown in addition to the city or town.

**Column 12 (Serial number of document presented).**—Prefix serial number of document with abbreviation "QIV," "NQIV," "PV," or "RP" as appropriate, to designate whether it is (Quota Immigration Visa, Nonquota Immigration Visa, Passenger Visa, or Reciprocity Permit) and also state section of the Immigration Act of 1924 involved, as Section 4 (a).

**Column 13.**—This question has reference to the place and date of issue of the document described in column 12, and is self-explanatory.

**Column 14 (Conditions of landing, etc.).**—Steamship lines should make no entries in this column. The space is for use of Government officials only.

**Column 15 (Last permanent residence).**—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 15 should show the country, city or town, state, province, or district of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

**Column 17 (Name and complete address of nearest relative on record in country of origin, etc.).**—The entry should give name, exact relationship, and complete address of such relative. If no such relative living, give name and address of friend. If no such relative or friend living in country whence alien came, give name and address of relative or friend in country of which citizen or subject, if such country is other than that whence alien came. Address should include street and number.

**Column 18 (Intend destination).**—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) or intended future permanent residence, if within the United States; country, if outside the United States, and port of intended departure.

**Column 19 (Whether having a ticket to such final destination).**—The answer should be either Yes (ticket) or No (no ticket).

**Column 20 (By whom fare passage paid).**—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

**Column 21 (Whether in possession of \$10, and if less, how much).**—The answer should give in each case (individual or family) the exact amount of money, whether money brought by the head of a family should not be divided among the several members of the family.

**Column 22 (Whether ever before in the United States; and if so, when, where, and date of last departure).**—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as 1891, 1897, Philadelphia. Where in the United States more than once previously, indicate last time only, and give exact or approximate date of last departure from the United States.

**Column 23 (Whether going to join relative or friend).**—The answer should show whether going to join either a relative or friend, with name and complete address; and if a relative, the exact relationship.

**Columns 24 to 30.**—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 30, if alien has been excluded and deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

Record on this blank United States citizens and citizens of insular possessions of the United States arriving at a port of continental United States from a foreign port or a port of the insular possessions of the United States, and such citizens arriving at a port of said insular possessions from a foreign port, a port of continental United States, or a port of another insular possession.

## REPORT OF SHIP'S SURGEON

U. S. DEPARTMENT OF LABOR  
BUREAU OF IMMIGRATION  
WASHINGTON

May 15, 1922.

### INSTRUCTIONS.

To masters and medical officers of ships, and others concerned:

Under the authority of section 13 of the act of Congress of February 5, 1917, it is hereby directed that on the arrival of a ship bringing passengers from a foreign port to any port of the United States the ship's surgeon shall deliver in person to the United States Commissioner of Immigration, or his authorized representative, a complete report of the diseases (including manifestations of epilepsy, hysteria, or insanity), injuries, births, and deaths which have occurred among the passengers during the voyage.

Said report shall state in each instance the name of the passenger concerned; whether a first cabin, second cabin, or steerage passenger or a stowaway; the letter or number used to designate the sheet of the passenger manifest on which the said passenger's name is to be found; and the number indicating the position of his name on said sheet; the nature of the disease or injury from which he is or has been suffering and his actual condition at the time of arrival (e. g., "improved," "recovered," "moribund," "dead").

Under the heading "Remarks" the ship's surgeon will make such notations as "able to travel," "accompanied by family," "removed at quarantine," "removed at quarantine with family," "in ship's hospital," or other remarks which may be of assistance to the United States Immigration officers in protecting the welfare of the sick or in accounting for missing passengers.

Diagnoses and all other statements appearing in said report must be written legibly, but need not be in English if the ship's surgeon be more familiar with another language. The ship's surgeon shall furthermore declare on oath that to the best of his knowledge and belief his report, as herein prescribed, comprises a true and complete statement of all the diseases, injuries, births, and deaths which have occurred during the voyage.

The Commissioners of Immigration at the various ports of the United States have full authority to prevent the debarkation of the passengers from a ship until the ship's surgeon, or, in lieu thereof, the master of the ship, shall have furnished a medical report, as above indicated.

W. W. HUSBAND,  
Commissioner General of Immigration

APPROVED:  
JAMES J. DAVIS,  
Secretary of Labor.

### TRADUZIONE D'ISTRUZIONI

Ai capitani e medici di navi ed a chiunque spetti:

A norma del paragrafo 13 dell'Atto del Congresso degli Stati Uniti, il 5 di Febbraio, 1917, viene con questo mezzo decretato che, all'arrivo in un porto degli Stati Uniti d'una nave, che trasporta passeggeri da un porto estero, il medico di bordo dovrà consegnare personalmente nelle mani del Commissario d'Immigrazione (Commissioner of Immigration), o del suo rappresentante autorizzato, un completo rapporto di tutte le malattie (compresi gli indizi d'epilessia, d'isterismo, o d'insania), le ferite, le nascite, e le morti, che siano avvenute durante il viaggio fra i passeggeri.

Detto rapporto dovrà indicare in ogni caso il nome del passeggero in questione, la sua condizione a bordo, se passeggero di prima, seconda, terza classe o clandestino; portare la lettera o il numero del foglio del manifesto sul quale è inscritto il nome del detto passeggero, altresì il numero d'ordine, che serve a indicare la posizione del suo nome sul foglio medesimo; spiegare la natura del male, che esso soffre e la sua condizione fisica al momento d'arrivo, p. es., "migliorato," "guarito," "moribondo," "morto."

Sotto la rubrica "Remarks," il medico di bordo dovrà apporre tali annotazioni come, p. es., "abile a continuare il viaggio," "accompagnato da famiglia," "sbarcato a quarantena," "sbarcato a quarantena con famiglia," "nell'ospedale a bordo," o qualsiasi annotazione, che possa essere d'aiuto agli uffiziali d'Immigrazione, sia per proteggere gli interessi degli ammalati, sia per rendersi conto dei passeggeri mancanti.

La diagnosi ed ogni altra dichiarazione dovranno essere scritte in modo leggibile; però non necessariamente in Inglese, se il medico di bordo conosce meglio un'altra lingua.

Il medico di bordo dovrà altresì dichiarare sotto giuramento, per quanto a lui consti in buona fede, che il suo rapporto comprende una esatta e piena descrizione di tutte le malattie, le ferite, le nascite e le morti, che siano successe durante il viaggio.

I commissari d'Immigrazione nei diversi porti degli Stati Uniti hanno pieni poteri per impedire lo sbarco ai passeggeri d'una nave, sino a che il medico, o mancando il medico, il capitano della nave stessa avrà fornito loro il rapporto come sopra indicato.

### UEBERSETZUNG DER INSTRUCTIONEN.

An die Schiffskapitane, Schiffsärzte, und andere, die es betrifft:

Auf Grund des Abschnitts 13 der Congressbestimmungen, am 5. Februar, 1917, wird hiermit angeordnet, dass der Schiffszarzt eines jeden von einem ausländischen Hafen kommenden und in einen Hafen der Vereinigten Staaten einlaufenden Passagierschiffes persönlich dem Einwanderungs-Kommissar oder seinem bevollmächtigten Stellvertreter einen vollständigen Bericht über Krankheiten, eingetragene Kurdehlungen von Epilepsie, Hysterie, oder Irnsinn, Verletzungen, Geburten, und Todesfälle, die während der Reise, unter den Passagieren, zu verzeichnen waren, zu nehergehen hat.

Dieser Bericht muss in jeden einzelnen Falle den Namen des betreffenden Passagiers enthalten; ferner ob er in erster oder zweiter Klasse sich befindet, ob er als Zwischenhändler-Passagier oder als blinder Passagier (stowaway) die Reise machte; ferner den Buchstaben oder die Nummer mit denen man gewöhnlich die Seite des Passagiermanifestes, in welchem der Name des betreffenden Passagiers eingeschrieben ist, bezeichnet, und ebenso die Zahl, welche die Stelle des Namens auf der erwähnten Seite bestimmt. Auch soll die Natur der Krankheit oder der Unversehrtheit, an welcher der Passagier leidet oder litt und sein tatsächliches Befinden zur Zeit der Ankunft dazwischen sein (z. B., ob "gebessert," "hergestellt," oder "im Sterben," "tot").

In der Rubrik "Remarks," soll der Schiffszarzt solche Notizen verzeichnen wie, z. B., "reisefähig," "in Begleitung von Familie," "in Quarantäne gehalten," "mit Familie in Quarantäne gehalten," "im Schiffshospital," oder andere Anmerkungen, welche der Einwanderungsbehörde der Vereinigten Staaten für die Verpflegung der Kranken oder für die Aufklärung über fehlende Passagiere von Nutzen sein können.

Diagnosen sowohl als andere in diesem Berichte niedergelegte Beobachtungen müssen leserlich geschrieben, aber nicht notwendiger Weise in der englischen Sprache abgefasst sein, insbesonders wenn der Arzt in einer anderen Sprache sich gewandter und deutlicher ausdrücken kann.

Der Schiffszarzt muss ferner unter Eid erklären, dass der Bericht nach seinem besten Wissen und Gewissen eine vollständige, vollständige Darstellung aller während der Reise, unter den Passagieren, zu verzeichnen waren, Krankheiten, Entsetze, Geburten, und Todesfälle, welche während der Reise zu verzeichnen waren.

Die Einwanderungs-Kommissare in den verschiedenen Hafenplätzen der Vereinigten Staaten haben volle Gewalt, das Landen der Passagiere zu verhindern bis der Schiffszarzt, oder an seiner Stelle der Schiffskapitän, einen medizinischen Bericht abgibt, der den oben genannten Bestimmungen entspricht.

### TRADUCTION DES INSTRUCTIONS.

Aux commandants de navires, aux médecins du bord et à qui de droit:

Conformément à la section No. 13 de l'Acte du Congrès des Etats-Unis, le 5 Février, 1917, vous êtes instruit par les présentes qu'à l'arrivée d'un navire, portant des passagers d'un port étranger à tout port des Etats-Unis, le médecin du bord devra remettre, en personne, au Commissaire d'Immigration des Etats-Unis, ou à un représentant autorisé, un rapport complet des maladies, y compris des indices d'épilepsie, d'hystérie ou d'insanité, des blessures, des naissances, et des décès survenus parmi les passagers pendant le voyage.

Le dit rapport devra faire connaître dans chaque cas le nom du passager en question, la classe à laquelle il appartient, s'il est passager de première ou de seconde, d'entrepont ou passager clandestin (stowaway); de plus, la lettre ou le numéro qui désigne la feuille du manifeste des passagers sur laquelle le nom du dit passager est enregistré, ainsi que le numéro indiquant la position de son nom sur la dite feuille, la nature de la maladie, ou de la blessure de laquelle il est ou était atteint, ou sa condition actuelle au moment de l'arrivée, (tel que: "amélioré," "rétabli," "mourant," "mort").

Sous le titre, "Remarks," le médecin du bord fera des observations, telles que: "ait fait de voyager," "accompagné de famille," "éloigné à la quarantaine," "éloigné à la quarantaine avec famille," "à l'hôpital," "l'infirmerie" du bord," ou autres remarques qui peuvent être d'utilité aux officiers du Bureau d'Immigration des Etats-Unis, soit en surveillant les intérêts des malades, ou en rendant compte des passagers manquants.

La diagnose et tout autre compte rendu dans le dit rapport devront être écrits lisiblement, mais il n'est pas nécessaire que cette disposition soit en Anglais si le médecin peut s'expliquer plus facilement et plus brièvement dans une autre langue.

En outre le médecin devra prêter serment que, de son mieux et d'après sa conscience, son rapport renferme un compte fidèle et complet de toutes les maladies, de toutes les blessures, de toutes les naissances et de toutes les mortalités qui sont survenues pendant le voyage.

Les Commissaires d'Immigration aux divers ports des Etats-Unis ont plein pouvoir d'empêcher le débarquement des passagers d'un navire, jusqu'à ce que le médecin du bord, ou en son lieu le Commandant du navire, aura fourni un rapport médical, comme il a été ordonné ci-dessus.

### INSTRUCTIONS.

Transmission and method of report of ship, and others concerned.

Under the authority of section 1104 of the act of Congress of February 5, 1917, it is hereby directed that on the arrival of a ship having passengers from a foreign port to any port of the United States the ship's surgeon shall deliver in person to the United States Commissioner of Immigration, or his authorized representative, a complete report of the diseases (including manifestations of epidemic, typhoid, or infectious, injuries, births, and deaths) which have occurred among the passengers during the voyage.

Said report shall state in each instance the name of the passenger concerned, whether a first cabin, second cabin, or steerage passenger or stowaway; the latter or number used to designate the sheet of the passenger manifest on which the said passenger's name is to be found, and the number indicating the position of his name on said sheet, the nature of the disease or injury from which he is or has been suffering and his actual condition at the time of arrival (e. g., "improved," "recovered," "perished," "dead").

Under the heading "Remarks" the ship's surgeon will make such notations as "able to travel," "accompanied by family," "removed at quarantine," "removed at quarantine with family," "in ship's hospital," or other remarks which may be of assistance to the United States Immigration officers in protecting the welfare of the sick or in accounting for missing passengers.

Diseases and all other statements appearing in said report must be written legibly, but need not be in English if the ship's surgeon be more familiar with another language. The ship's surgeon shall furthermore declare on oath that to the best of his knowledge and belief the report, as herein prescribed, comprises a true and complete statement of all the diseases, injuries, births, and deaths which have occurred during the voyage.

The Commissioner of Immigration at the various ports of the United States have full authority to promulgate the detachment of the passengers from a ship until the ship's surgeon, or, in his stead, the master of the ship, shall have furnished a medical report, as herein indicated.

Commissioner General of Immigration

### TRADUZIONE D'ISTRUZIONI

Ai Comandanti di nave, ai medici della nave, e agli altri interessati.

Secondo l'autorità del Congresso degli Stati Uniti, del 5 febbraio 1917, si è stabilito che quando una nave proveniente da un porto straniero arriva in un porto degli Stati Uniti, il medico della nave deve consegnare al Commisario dell'Immigrazione, o al suo rappresentante, un rapporto completo delle malattie, delle lesioni, dei nascimenti, e delle morti che si sono verificate tra i passeggeri durante il viaggio.

Tale rapporto deve contenere, in ogni caso, il nome del passeggero interessato, se si tratta di un passeggero di prima, seconda, o terza classe, o di un clandestino; il numero del foglio del manifesto sul quale il nome del detto passeggero è registrato; e la natura della malattia o dell'lesione, e la sua condizione al momento dell'arrivo (per esempio, "migliorato", "guarito", "morto", ecc.).

Sotto la rubrica "Note" il medico della nave farà le osservazioni che riterrà opportune, come, per esempio, "capace di viaggiare", "accompagnato dalla famiglia", "rimesso in quarantena", ecc.

Tutte le dichiarazioni contenute nel rapporto devono essere scritte in modo leggibile, ma non necessariamente in inglese.

Il Commisario dell'Immigrazione ha piena autorità di far sospendere l'ingresso dei passeggeri da una nave finché non sia stato ricevuto un rapporto medico come sopra indicato.

Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

## INSTRUCTIONS FOR PREPARING ALIEN MANIFESTS

*Argemone monensis* should be considered the only pure or nearly pure genotype known for the Troad. Since, providing its original, considerable locality was not subsequently colonized by the transposition of the  $\beta$  allele, all following its original monodominance should always be found in the same area and the  $\beta$  allele should thus, where there have been no further changes, be identical to the  $\beta$  allele of *A. monensis* from the Troad. The absence of the seedlings of a species that appeared in the same locality from which they were put in the same study and of any spread of  $\beta$  alleles to other *Argemone* areas referred to should be noted on the grounds that the species is monodominant.

### LIST OF NAMES OR PEOPLES

There are two different ways to proceed in the search for a weakly dominant strategy for Player 1 in this game. The natural way is to find strategies that are strictly dominated and then to eliminate them, one by one, until only one strategy remains. This procedure is called *iterative deletion of strictly dominated strategies*.

<sup>1</sup> See, for instance, "Dramatic" in the collection of his last two discographies, collected together in a single box set, "The Complete Recordings of Louis Armstrong" (New York: RCA, 1999), CD 1, track 10, "Dramatic." The title of this recording is a reference to the title of the 1930 film *Dramatic* (directed by Lewis Allen), in which Armstrong played the character of a jazz musician who becomes a star.

<sup>1</sup> The literature on the social impacts of water stress is not extensive. Korman and Korman (1999), for example, note that the literature on the social impacts of water stress is limited, and that the literature on the social impacts of water stress is limited.
